SAIXSE

# ABOUT

Embarking on his musical journey when he was just a teenager, SAIXSE has swiftly risen to become a prominent figure in the Malaysian music scene. Renowned for his viral hit 'Malampagi', the 21-year-old singer, rapper, and songwriter has not only captured the hearts of Malaysians, but also made waves in neighbouring Indonesia.

SAIXSE's passion for music was ignited early on in his teenage years, with him crafting his own lyrics and composing songs before he even turned 15. He then jumped onto Soundcloud, amassing an impressive half a million streams on the platform by 2019. Setting the stage for his meteoric rise, SAIXSE kicked off his first live performance in 2020, and unveiled his first album, 'XSE' the following year. His debut album was well-received online and currently has close to 1.2 million streams since its release.

This drove him to blaze further ahead on his musical journey, releasing 'Tak Percaya' with Kidd Santhe in August 2022, followed by 'Malampagi' later in the year, and 'Love Me' in 2023. 'Malampagi' quickly became a fan favourite, soaring to the number one spot on Spotify Malaysia's daily chart in June 2023, shortly after debuting with the highest streaming count of 130,000 daily streams. The song continued its momentum to the top of Spotify's Global and Local charts. During this time, 'Malampagi' also secured a top-three spot on Recording Industry Malaysia's (RIM) chart, and started gaining traction in Indonesia.

Beyond the music, 'Malampagi' was responsible for sparking a cultural internet phenomenon of the term and concept of 'healing', with fans showcasing and sharing personal stories of overcoming life struggles through the song. Riding on this success, SAIXSE dropped a remix featuring MK from K-Clique, which now boasts close to 10 million views on YouTube.

Live performances became a key avenue for SAIXSE to connect with fans, with standout moments this year including performing at the Konsert FYP MeleTOP and as the opening act for international rapper, Tyga's concert in Kuala Lumpur. His influence extended to fashion as he was selected as the muse for streetwear brands SVG x Neonate at KLFW 2023, gained recognition in EH! magazine's Top 20 for 2023, and even fronted a viral campaign online for a popular international fast-food chain.

Driven by his desire to share emotions and stories through music, SAIXSE believes that music has the undeniable power and ability to express the unspoken. He aspires to connect with bigger audiences, in hopes that they can relate to the meaning and stories woven into his lyrics and songs.

SAIXSE is currently signed on with SVLTAN Management and is collaborating on an upcoming album with Kidd Santhe and several international artists. As SAIXSE continues to carve his path in the music industry, it's evident that this young man is only at the beginning of what promises to be an extraordinary career.
