Malik Abdullah

Malik Abdullah's name has been steadily rising over the past few years, so much so that the multi-talented rapper, singer and dancer was scouted by Altimet himself, who mentored and took Malik under his wing.

Nurturing his love for Pop, Rap and R&B tunes helped Malik to better express his passion for music, and this eventually led to 2 of his featured songs cumulatively hitting over 20 million views on YouTube.

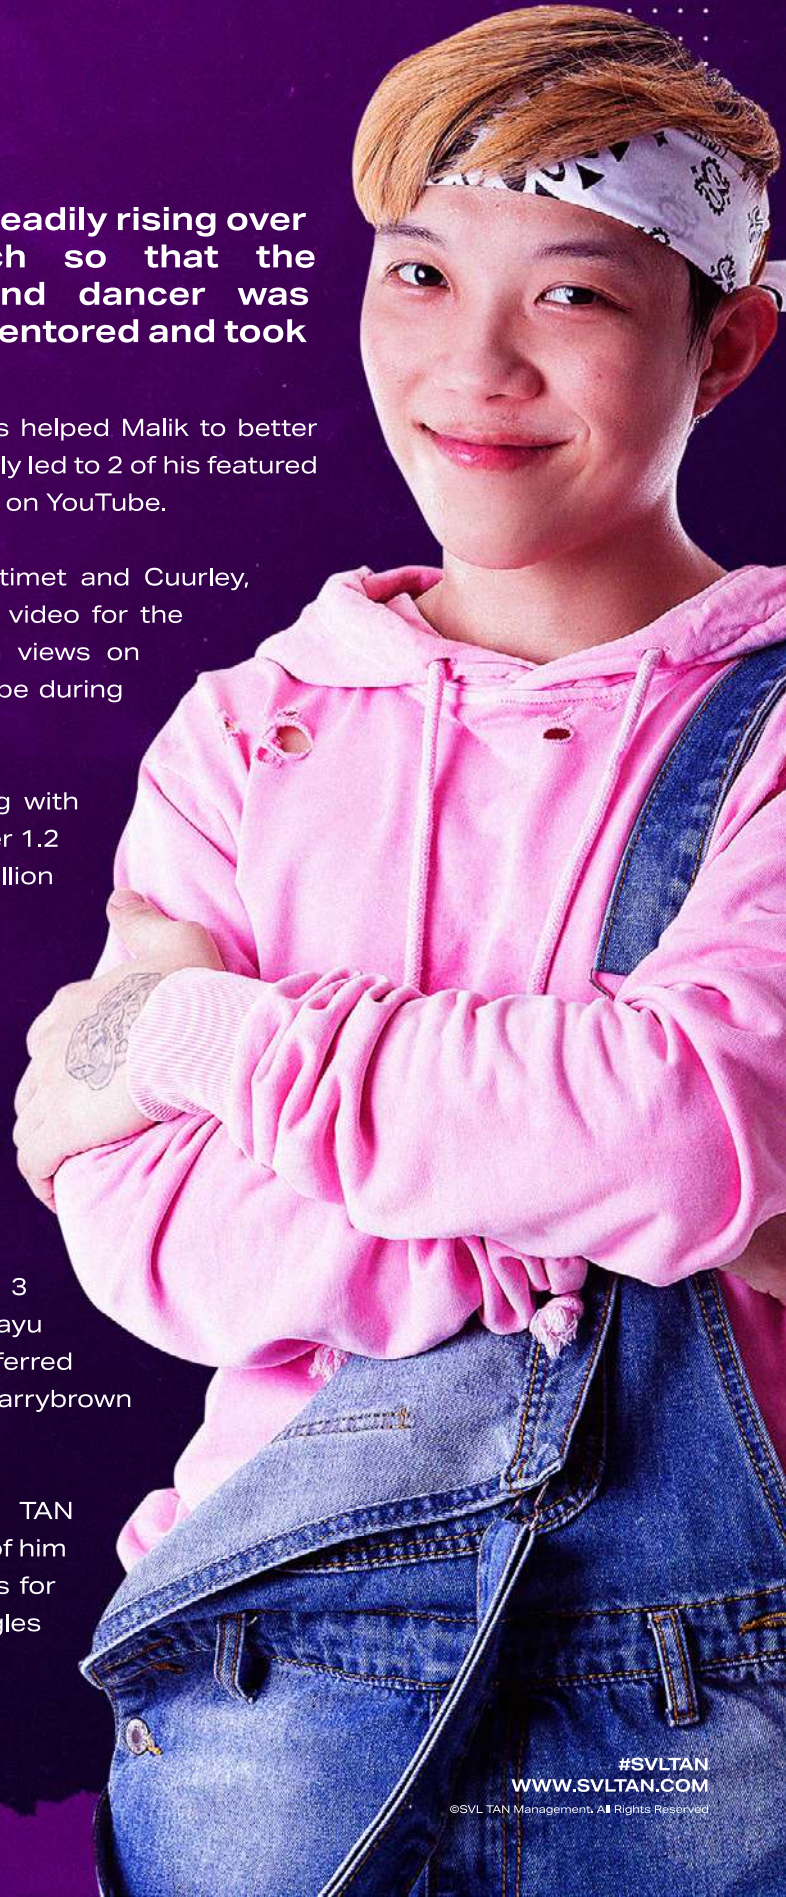

During the pandemic, Malik, together with Altimet and Cuurley, released the song 'Kita Jaga Kita'. The music video for the song has, to date, recorded over 4.6 million views on YouTube alone and is seen as a beacon of hope during these trying times.

Another fan favourite is Malik's featured song with Afieq Shazwan, 'Lelaki Di Telefon' which has over 1.2 million streams on Spotify and close to 9 million views on YouTube.

Malik, who is currently focused on conquering both the local and international market, is no stranger to the bright lights and being centerstage either. Some of his appearances and performances includes being on Shopee's 4.4 Mega Show, Big Stage Live, MeleTop 2020 and Muzik-Muzik 35.

The multilingual rapper's ability to speak 3 different languages- Cantonese, Bahasa Melayu and English fluently also makes him a preferred choice to represent local favourites, such as Marrybrown and Shopee.

Malik Abdullah is now signed with SVL TAN Management, and you can expect to see more of him in the near future. Some of his upcoming plans for this year includes releasing 2 brand new singles and starring in a reality TV show by Astro.
